Our Solution

RapidRx Kiosk
Revolutionize prescription pickup

Automated Self-Service Pharmacy Kiosk

- 24/7 Service
- Live Pharmacist Video Chat
- Federally approved for Class 3 pharmaceuticals
- Heavy duty steel rotating dispenser
- Fully ADA Compliant

About Us

- **Innovation & Customization**: We specialize in innovative and tailored solutions to streamline operations and enhance customer engagement and satisfaction.

- **Growth & Efficiency**: Our commitment is to operational efficiency and driving growth through the perfect self-service answers to your challenges.

- **Automated Delivery Systems**: As service-driven providers, we offer cutting-edge automated delivery solutions.

- **Software & Integration**: We provide customized secure software solutions and seamless integration.

- **Robust Hardware**: Our portfolio includes robust hardware available at various price points.

- **Experienced Leadership**: Our Senior Management team is proud of their extensive experience in kiosk design, deployment, support, and operations having placed over 17000 kiosks.

- **Global Ventures**: We have recently launched a venture with a top global consumer brand in partnership with the world's largest retailer.

- **Cutting-Edge Lockers**: We customize and design advanced locker solutions for storage, retrieval and delivery.

RapidMeds

Dimensions
34.64 x 89.50 x 79.50 in.

Storage capacity
200 to 400 prescriptions.

Delivers up to 3,000
prescriptions per month.

RapidMeds MINI

Dimensions
34.64 x 41.30 x 73 in.

Storage capacity
From 100 to 200 prescriptions.

Delivers up to 1,500
prescriptions per month.

Without RapidMeds

Up to 300 prescription bags
are stored, waiting for
patients during open hours.

Bags are manually dispensed.

Pharmacy staff spends
between 3-4 minutes handing
out each bag for thousands of
prescriptions every month.

With RapidMeds

Bags are fast loaded into
RapidMeds, reducing the
need for storage.

Up to 3,000 patients per
month can pick up their
prescriptions at the **RapidMeds**

Saving up to 200 hours per
month in staff time.

RapidMeds

How it works

One, two, three. Simple, safe and secure!

Loading

The pharmacist scans the barcode and loads it into the RapidMeds Kiosk storage.

Notification

The RapidMeds Kiosk automatically texts the patient his PIN for collection.

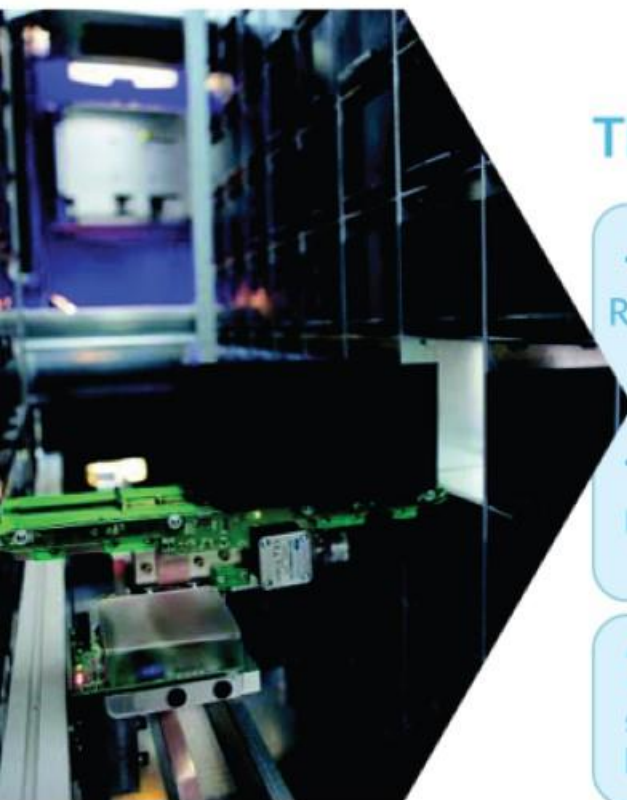

Pick-Up

The patient enters his PIN and pick-up his prescription.
