Simple Installation

No plumbing or external ventilation required.

Environmentally Friendly

We use R290, a refrigerant with low environmental impact and not harmful to Earth's ozone layer.

Non Condensing

Next Kiosks have a relative humidity of 10% - 95%, ensuring a dry, non-condensing refrigerated locker unit with zero sweat.

Food Grade

Next Kiosks are treated with anti-microbial coating for food safety, environmental protection, erosion resistance, and durability.
